THE
Swan Valley
LEGACY

On April 11th, 2019 the Community Foundation of Swan Valley had the privilege of bestowing a great honor on local Community Foundation founder Douglas Hinchliffe, recipient of the Sovereign's Medal for Volunteers. Sovereign's Medal for Volunteers is described as;

“Passion, dedication and a commitment to community are the driving forces behind the volunteers who receive the Sovereign's Medal for Volunteers.

The medal recognizes the exceptional volunteer achievements of Canadians from across the country in a wide range of fields and pays tribute to the dedication and commitment of volunteers. They embody the caring country we aspire to build.”

Congratulations Doug.

Report From The Board

Lorne Henkelman
Chair, CFSV Board of Directors

Philanthropy has been described as 'the practice of giving money and time to help make life better for other people'. Since our beginnings in 2005, the people of and those with connection to the Swan River Valley have demonstrated a wonderful example of philanthropy in action.

The CFSV is once again pleased to be able to report on another year of significant growth. During the past fiscal year, your Foundation has received just over \$547,000 in new contributions and has now reached \$2.422 million in contributions since 2005. As well, over the past year, the market value of the assets of the Foundation has increased to \$2.948 million. The Foundation has earned a 9.59% rate of return on its investments over the past 5 years. And, for the first time in our history, the Foundation was able to distribute over \$100,000 in annual grants and scholarships during the year, bringing our total giving since 2005 to \$686,000.

Thank you to everyone that has contributed to the CFSV, whether with your financial contributions or with your volunteer time and energy. The work of the CFSV is something we can all be proud of and excited about.

Built 1900

The Harley House

This unique house is one of the last vestiges of the original Swan River settlement and has considerable historic value to our area and its residents.

Mr. Harley, the first owner, was a land agent, issuing the first homesteads in the Valley.

One of the first homes built was the Harley House, constructed by Mr. Henry Tibble. A note in the newspaper date January 11th, 1900 reports: "W.J. Gillespie has been hewing logs for the past two weeks for a log house to be put up in Red River Style by Mr. Harley on the bank of the Swan River facing Fifth Avenue." (The original logs are still present under the current siding.) Subsequent homesteads in our Valley were issued from this house, and records show that it also served as the first post office.

Leaving a lasting legacy

Peter & Doreen Terekoff in memory of
David & Dr. James Terekoff

Peter and Doreen (Novak) Terekoff met through a love of teaching. They were married in 1965 and brought 2 sons in to the world, David and James.

Both boys went on to be highly successful students. David pursued his secondary education at the University of Manitoba in the faculty of Medicine. James graduated with his Doctor of Optometry after completing his four year degree at Waterloo and an internship in Oxford England.

Long before their time, tragedy struck both boys with the untimely passing of David in 1987 and James in 1996. Despite these devastating loses, Peter and Doreen continued to share their love of education with their students and the community as volunteers. Doreen was very involved in diabetic education and counseling, and Peter was part of several high level boards including the Swan Valley Credit Union and the Swan Valley Co-op.

In memory of David and James, the Terekoffs started two memorial scholarship funds in each of their sons names.

Keeping in line with their high standards of educational excellence, the recipients of the David Terekoff Memorial Scholarship must also be a recipient of the Governor Generals Academic Medal, having graduated with the highest grade point average.

The Dr. James Terekoff Memorial Bursary is awarded to the student who has persevered with a high level of academic achievement despite a chronic illness or a severe health issue.

In June of 2019, Peter Fedorchuk was the recipient of both of these awards.

Home built by the brothers

The Cherban Brothers
Marvin & Sandy (Alexander)

The Cherban twins were born on April 8, 1937 in Winnipegosis, MB. They attended school in Winnipegosis and as young boys worked on the docks in the fishing industry and later in their life they went commercial fishing. From here the brothers continued their hard work ethics and moved to Churchill, where they worked at the grain terminal at the Port of Churchill for approximately 25 years.

From the wages they earned here Sandy & Marvin sent money home to their parents to help care for them. As young men the Cherbans always thought they wanted to farm, so in February of 1970 they purchased, with cash, 3 quarters of land (480 acres), located 8 1/2 miles north east of Birch River.

The Cherban brothers knew very little about farming and were quickly taken under the wings of two neighboring families, the Bohnhardts and the Thompsons.

With the help and guidance of their local community, the Cherbans were successful farmers, taking care of the land until their retirement at which time they rented out the land. The three quarters stayed in their hands until their passing; Marvin passing away in 2012 and Sandy (Alexander) in 2013.

The Cherban's lasting legacy to the family, friends and valley that had become home for them was to continue to support local agriculture, education, research and skill development. Through this request, the proceeds of the Cherban's estate was donated to the Manitoba Department of Agriculture and with their support half of the Cherban's estate was donated locally to the Community Foundation of Swan Valley. This newly created endowment fund will continue to support local valley residents in pursuit of agriculture excellence, whether it be for education or community economic development and rural living.

Although they are not here with us today, the Community Foundation of Swan Valley would like to express our sincere gratitude to the Cherban brothers for investing in us and we look forward to honoring their legacy.

A very special thank you also to the family of Herb Bohnhardt for bringing the details of this very special story forward and for your tireless efforts to bring a portion of the Cherban legacy back to the Swan Valley.

Thank you.

Legacy
for the **Swan Valley**

The Community Foundation of Swan Valley is a charitable organization founded by local citizens to help people invest in building a community that is a better place to live, work and play. Since its inception in 2005, the CFSV has provided over **\$686,000** in funding across the Swan Valley.

Projects must benefit primarily the people of the Swan Valley Community which includes the Town of Swan River and the towns and rural areas of the Municipalities of Swan Valley West, Minitonas-Bowsman and Mountain.

For more information on becoming a donor, or applying for future grants, please visit the CFSV website at cfswanvalley.ca or contact Donna Martin, Executive Director at 204-734-9129.
