Report From The Board

Tim Mendel
Chair, CFSV Board of Directors

“May you live in interesting times” We indeed are living in interesting times. I for one would be ready to return to uninteresting times.

This past year has been a very challenging time for the Community Foundation of Swan Valley. The worldwide pandemic affected our ability to hold our Spring Granting celebration in March, as well as our annual Fundraising Gala in November. As the main fundraising event for CFSV, our annual Gala is an opportunity for the foundation and the community to come together in celebration over the many projects/initiatives occurring in our community. We are disappointed to have missed the opportunity to highlight the work of the foundation and its generous supporters this fall.

On a more personal note for the CFSV, we lost one of our foundation directors Lew Taylor to cancer in June. Lew was passionate about all of his commitments; in education as a teacher and a principal, his dedication to the valley and volunteerism with CFSV. His ability to effect positive change within our community will be missed.

This year also provided several positive opportunities for the foundation. CFSV donations increased by \$175,280, with additional contributions to follow. The Federal Government Emergency Community Support Program through the Community Foundation of Canada allowed for the dispersal of \$40,000 to non-profit organizations on behalf of the federal government. The funds were allotted to non-profit organization so that they could offer support to vulnerable populations in our community. The Build Manitoba 150 grant for \$20,000 was distributed by the foundation to projects in our community to commemorate Manitoba's 150 birthday.

It is gratifying as a foundation to know that both provincial and federal governments see the value of community foundations and the important role that they play within their respective communities right across Canada. In closing, I want to thank all of you for supporting the Community Foundation of Swan Valley during this past year and we look forward to a prosperous 2021.

Leaving a lasting legacy

Lew Taylor 1950-2020
CFSV Director 2018-2020

Lew Taylor only knew one way to approach life and that was with passion and dedication. Arriving in the valley in 1971 with a Bachelors of Science in Physical Education, he would start a career in education that would span over 33 years. His dedication to his profession would cultivate the respect of fellow teachers, division administrators and students alike, but it was his love for the valley that drove his volunteerism.

Early on Lew looked for every opportunity to draw people, students and events to the valley so they could share in what our community had to offer. In 1975 Lew brought Basketball Provincials to the valley for the first time and followed up with Rural Track & Field provincials in 1978. Lew was the first rural representation on Sport Manitoba and worked hard to bring his brand of inclusivity and fairness to the rest of the province.

In retirement Lew's investment in our community expanded to include more volunteer time with the organizations and committees he loved: Golf of any kind including organizing

the golf event of the 55+ Manitoba Games in Swan River, Friends of the Valley Organizer Golf Fundraiser, he was also an avid x-country skier and part of the SV Trails Committee and he traveled to the NWT to help with the 2006 Canadian Census. Lew was a fierce advocate for youth sports and a role model on how to give back to your community.

Most recently we will remember Lew for his strength and tireless commitment (he always had "one more thing" to add) to philanthropy through CFSV.

How We Are Growing 3 million

Established in 2005 with a fund of \$112,666, a total of \$1,400 was gifted back into our community. 15 years later the endowment fund has grown to \$3.1 million.

CFSV offered two granting opportunities to the community, one in the fall of 2019 and then in the spring of 2020. In total the fund was able to meet the needs of 28 non-profit or charity organizations looking for support to expand programming, purchase equipment, assist with education, issue scholarships & awards or rejuvenate infrastructure. A total of \$88,359 was granted.

Youth in Philanthropy
Jack & Dax Mullin

Jack

You could make a lot of comparisons between philanthropy and what goes into raising a 4H calf. Both require nurturing, attention to detail and a vested interest in their future development. For Jack & Dax Mullin it is also a way of life. Born and raised here in the valley they are both dedicated to the family farm, raising almost 80 head of cattle. Both are part of the 4H program that includes raising and showing beef annually and they have taken the 4H motto: "I pledge my HEAD to clearer thinking, my HEART to greater loyalty, my HANDS to larger service, and my HEALTH to better living, for my club, my community, my country, and my world" and applied it in their own community.

Starting in 2014 Jack with encouragement from his parents made the decision to take a percentage of his 4H calf cheque and donate it back into the community. Dax quickly followed in 2015 and between the two of them they are now working towards their own named fund with CFSV. When asked why CFSV?, Dax notes "Our donation can help a lot of different non-profits and the funds are directed to where there is need in our community." Thank you to Jack & Dax for leaving a lasting legacy.

Leave a lasting
Legacy
for the Swan Valley

The Community Foundation of Swan Valley is a charitable organization founded by local citizens to help people invest in building a community that is a better place to live, work and play. Since its inception in 2005, the CFSV has provided over **\$800,000** in funding across the Swan Valley.

Projects must benefit primarily the people of the Swan Valley Community which includes the Town of Swan River and the towns and rural areas of the Municipalities of Swan Valley West, Minitonas-Bowsman and Mountain.

For more information on becoming a donor, or applying for future grants, please visit the CFSV website at cfswanvalley.ca or contact Donna Martin, Executive Director at 204-734-9129.
