FOUNDATION
OF SWAN VALLEY

ANNUAL REPORT
2022-23

Dwayne Strate
Board Chair

REPORT FROM THE BOARD

ONE does not have to look far to find an individual that has benefited from the Community Foundation of Swan Valley (CFSV). Nor does one have to look far to find one of the many residents of the Swan Valley community who have given so generously to the CFSV.

Whether it be a family member or an acquaintance, the CFSV has touched the lives of many around us and will continue to do so in perpetuity. Endowments are managed to last eternally.

The CFSV has an affiliation with the renowned Winnipeg Foundation, the first Community Foundation formed in Canada. This partnership has allowed the CFSV coffers to be managed and grow alongside the hugely successful Winnipeg Foundation's funds.

To date, the CFSV has given \$1.4 million back to the Valley since the Foundation's inception in 2005. All proceeds paid out of the CFSV endowment fund go directly back to

the Swan Valley community.

By the end of 2023, the CFSV will have gifted approximately \$200,000 in various grants and scholarships. These gifts include smaller amounts of a few hundred dollars to larger grants such as the Thunderhill Ski Club (\$100,000 over 5 years) or Swan Valley Snowmobile Assoc. (\$40,000 over 2 years). Youth groups, sports groups, Nursery school, and many other worthy organizations have benefited.

I am extremely grateful for all of the work done by existing directors, past directors, CFSV staff, and especially the founding members. This past December we bid farewell and said thanks to Lynda Parsons,

Tim Mendel and Bill Schaffer as they took leave from the CFSV. And, in January, we welcomed new Directors Don Formo, Upendra Patel and Tanya Powell as they started their three-year terms.

ONE does not have to look far to find organizations or individuals who are thankful for the contributions of the

CFSV. The thanks, however, belong not just to the Foundation, but more importantly, the thanks go to the people of the Swan Valley who have made this organization successful.

The support from the community is considerate and we know that support, like the endowment, will live long.

BOARD OF DIRECTORS

The Community Foundation of Swan Valley is comprised of a talented group from around the Swan River Valley that share an optimistic view for our community.

HOW WE ARE GROWING

Established in 2005 with a fund of \$112,666, a total of \$1,400 was gifted back to our community in that first year. Nineteen years later the endowment fund has grown to \$3.8 million.

CFSV offered two granting opportunities to the community, one in the fall of 2022 and then in the spring of 2023. In total, the fund was able to meet the needs of 19 nonprofit or charity organizations looking for support to expand programming, purchase equipment, assist in education, issue scholarships and awards or rejuvenate infrastructure. A total of \$119,545 was granted.

Harry and Bessie Sandborn

A FOCUS ON THE FUTURE

Education was very important to Harry and Bessie (Peterson) Sandborn, something passed down from their parents before them. And so, the Sandborn family chose to establish an education fund through the Community Foundation of Swan Valley in their honour to allow their family to help support local students in need to forward their education.

Both born in the Alpine area south of Benito, Harry and Bessie's families immigrated from Sweden and were part of a Swedish community established in the area. Finishing their highest levels of education locally, Harry went on to attend the University of Manitoba in the late 1930s.

Upon returning to the Valley to farm he married Bessie in 1950 and raised their family of three - John, Lynn (Sharpe) and Louise (Schabert) - on the Sandborn homestead.

Both Harry and Bessie were very community-minded. Harry served for a number of years as a trustee for the school board and was part of the group that worked to unify the school system and create the Swan Valley School Division. He was also a member

of the Masonic Lodge and the Royal Arch Masons in addition to being a member of the Farm Labour Pool.

Bessie was a dedicated wife and mom, also serving the United Church Women and the Order of the Eastern Star.

Harry passed away in 1980 with Bessie following in 2011.

The fund established in their memory is not specific to any field of education as the family preferred to leave that open, believing there are always people that need some financial help to further their education.

"It was the same when my sisters and I worked our way through university years ago," said John Sandborn. "The need isn't any less now than it was back then."

CONTINUING A LEGACY

If you knew Doug Hinchliffe, you know how important the Community Foundation of Swan Valley was to him and how very proud, he was as to how it has grown since its inception.

Many years ago Doug had been visiting with the Campbell family. Their daughter Denise, who is employed by The Winnipeg Foundation, was aware of an opportunity with another charity, The Thomas Sill Foundation. The program was for 2:1 matching up to \$100,000 for any community to start a Community Foundation. So, they would need to sign up 200 donors at \$1,000 each to raise the \$200,000.

Doug and other locals - Conrad Robinson and Rex Leach - had a discussion in one of the local coffee shops soon after about the idea and it seemed like something our Valley could create.

An amazing team was created to work on the project - adding in Dennis Kowal and Beggie Palsson - and the original fundraising drive netted 212 donors, surpassing the goal, and CFSV officially became a registered community

foundation in January 2005.

Many of us know how important the Community Foundation of Swan Valley was to Doug and how very proud, he was as to how it has grown since its inception.

Fast forward to 2023, as of the end of August, CFSV has accumulated \$3,800,000 in total donations resulting in a payout of \$193,000 that will be given out to the Swan Valley community in community grants, directed charitable giving and education awards. That number will only increase each year as the fund grows.

In 2024 we will see the payout number rise to over \$200,000 and a total of over \$1,435,000 to the Valley since the start.

Doug will continue to smile down on us as we surpass the \$4,000,000 mark in the very near future. Hopefully, before

Sub-Lieutenant Doug Hinchliffe
HMCS Crusader circa 1959

we celebrate the Foundation's 20th year in 2025. Thank you, Doug, for your vision and confidence in this great Valley and that we could accomplish the goals your small group could see and provide for the community into the future.

SUPPORTING COMMUNITY

In 2002 the Swan Valley Historical Museum Inc. was formed, combining the Swan Valley Historical Association with the Swan Valley Museum, which also has the local Harley House Museum affiliated with the organization.

The Museum Board offers several community events throughout the year such as the annual Harvest Festival and more recently, the month-long Mistletoe Magic display with a marvelous show of lights. Typically, there are no admission fees for their events with visitors being given the option of a donation. This is truly a charitable way of operating.

Local support is evident in people like Tony and Vincent Gulash. The brothers donated funds to build a building on the museum site.

After the Foundation was formed, the brothers set up a sizeable endowment to provide annual dollars for the maintenance of the buildings on the museum grounds. Glynn Donaldson also created a fund directed to the Museum as this was a passion

of his, spending countless hours volunteering on site. SVH Museum has endowment funds of its own to support maintenance on ongoing projects the Board wants to undertake.

“By nature, everything in this type of museum is OLD and maintenance of the buildings and fixtures is extensive and ongoing,” said SVH Museum Board Chair Lois Borland. “Swan Valley Historical Museum is currently looking at revamping some of the main displays to keep them interesting and improve visitors overall experience as they delve into the history of the valley.”

The CFSV Board of Directors wishes the museum continued success into the future and is excited to see what new projects they will take on.

The Community Foundation of Swan Valley is a charitable organization founded by local citizens to help people invest in building a community that is a better place to live, work and play. Since its inception in 2005, the CFSV has provided over \$1.4 Million in funding across the Swan Valley.

Projects must benefit primarily the people of the Swan Valley Community which includes the Town of Swan River and the towns and rural areas of the Municipalities of Swan Valley West, Minitonas-Bowsman and Mountain.

For more information on becoming a donor, or applying for future grants, please visit the CFSV website at cfsv.ca or contact Donna Martin, Executive Director at 204-734-9129.
